

## Fructose-Bisphosphate Aldolase A (ALDOA) Antibody

Catalogue No.: abx402307

Fructose-Bisphosphate Aldolase A (ALDOA) Antibody is a Recombinant Rabbit Monoclonal antibody for the detection of Human, Mouse, Rat ALDOA.

|                               |                                                                                                                                     |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Fructose-Bisphosphate Aldolase A (ALDOA)                                                                                            |
| <b>Clonality:</b>             | Monoclonal                                                                                                                          |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                                   |
| <b>Expression:</b>            | Recombinant                                                                                                                         |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                                              |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000, IHC: 1/50 - 1/200, IF/ICC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                        |
| <b>Immunogen:</b>             | A synthesized peptide derived from human Aldolase                                                                                   |
| <b>Isotype:</b>               | IgG                                                                                                                                 |
| <b>Form:</b>                  | Liquid                                                                                                                              |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                                |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                      |
