

## Keratin, Type II Cytoskeletal 80 (KRT80) Antibody

Catalogue No.: abx456398

Keratin, Type II Cytoskeletal 80 (KRT80) Antibody is a Rabbit polyclonal antibody for the detection of Human Keratin, Type II Cytoskeletal 80 (KRT80).

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Keratin, Type II Cytoskeletal 80 (KRT80)                                                                                                   |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                 |
| <b>Reactivity:</b>            | Human                                                                                                                                      |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                                             |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                                                                     |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Recombinant Keratin, Type II Cytoskeletal 80 (Val262-Glu390) expressed in E. coli.                                                         |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
