

## Monocyte Differentiation Antigen CD14 (CD14) Antibody

Catalogue No.: abx461877

Monocyte Differentiation Antigen CD14 (CD14) Antibody is a monoclonal Nanobody for the detection of Human CD14.

|                             |                                                                                                                                                              |
