

## Nuclear Receptor Subfamily 1 Group I Member 2 (NR1I2) Antibody

Catalogue No.: abx101801

Western blot analysis of recombinant Mouse PXR Protein.

IHC-P analysis of Mouse Kidney Tissue, with DAB staining, using Rabbit Anti-Mouse PXR Antibody (10 µg/ml) and HRP-conjugated Goat Anti-Rabbit antibody ([abx400043](#), 2 µg/ml). PBS was used instead of the primary antibody for the control.

Polyclonal Antibody to Nuclear Receptor Subfamily 1 Group I Member 2 (NR1I2).

|                               |                                                                                                                                           |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Nuclear Receptor Subfamily 1 Group I Member 2 (NR1I2)                                                                                     |
| <b>Clonality:</b>             | Polyclonal                                                                                                                                |
| <b>Reactivity:</b>            | Mouse                                                                                                                                     |
| <b>Tested Applications:</b>   | WB, IHC                                                                                                                                   |
| <b>Host:</b>                  | Rabbit                                                                                                                                    |
| <b>Recommended dilutions:</b> | WB: 0.01-2 µg/ml, IHC: 5-20 µg/ml, IF/ICC (predicted): 5-20 µg/ml. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                              |
| <b>Immunogen:</b>             | <a href="#">abx068663</a> - Recombinant PXR (Tyr205-Gly390) expressed in E. coli                                                          |
| <b>Form:</b>                  | Liquid                                                                                                                                    |
| <b>Purification:</b>          | Purified by antigen-specific affinity chromatography, followed by Protein A affinity chromatography.                                      |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                            |

# Datasheet

Version: 5.0.0

Revision date: 18 Aug 2025

**UniProt Primary AC:** O54915 ([UniProt](#), [ExPASy](#))

**Gene Symbol:** NR1I2

**GeneID:** [18171](#)

**KEGG:** mmu:18171

**String:** [10090.ENSMUSP00000023504](#)

**Buffer:** 0.01 M PBS, pH 7.4, containing 0.05% Proclin-300, 50% glycerol.

**Specificity:** Cross-reacts with Rat PXR.

**Concentration:** 0.5 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
