

## Adhesion G Protein-Coupled Receptor E5 (ADGRE5) Antibody

Catalogue No.: abx403505

Human Adhesion G Protein-Coupled Receptor E5 (ADGRE5) Antibody is a Mouse monoclonal against Adhesion G Protein-Coupled Receptor E5 (ADGRE5).

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Adhesion G Protein-Coupled Receptor E5 (ADGRE5)                        |
| <b>Clonality:</b>             | Monoclonal                                                             |
| <b>Reactivity:</b>            | Human                                                                  |
| <b>Tested Applications:</b>   | WB, IHC, IF/ICC                                                        |
| <b>Host:</b>                  | Mouse                                                                  |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Immunogen:</b>             | Human CD97 expressed in E.coli.                                        |
| <b>Isotype:</b>               | IgG <sub>2b</sub> Kappa                                                |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Purification:</b>          | Purified by Protein A and Protein G affinity chromatography.           |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.         |
| <b>UniProt Primary AC:</b>    | P48960 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )            |
| <b>Gene Symbol:</b>           | ADGRE5                                                                 |
| <b>KEGG:</b>                  | hsa:976                                                                |
| <b>Buffer:</b>                | 0.01M PBS, pH 7.4, containing 0.05% Proclin-300, 50% glycerol.         |
| <b>Specificity:</b>           | Cross-reacts with Pig ADGRE5.                                          |
| <b>Concentration:</b>         | 1 mg/ml                                                                |
