

## Ly1 Antibody Reactive Homolog (LYAR) Antibody

Catalogue No.: abx103035

Western blot analysis of recombinant Mouse LYAR Protein.

Western blot analysis of Mouse Placenta lysate, using Rabbit Anti-Mouse LYAR Antibody (3 µg/ml) and HRP-conjugated Goat Anti-Rabbit antibody ([abx400043](#), 0.2 µg/ml).

Western blot analysis of Mouse Testis lysate, using Rabbit Anti-Mouse LYAR Antibody (3 µg/ml) and HRP-conjugated Goat Anti-Rabbit antibody ([abx400043](#), 0.2 µg/ml).

Western blot analysis of Rat Testis lysate, using Rabbit Anti-Mouse LYAR Antibody (3 µg/ml) and HRP-conjugated Goat Anti-Rabbit antibody ([abx400043](#), 0.2 µg/ml).

Western blot analysis of Human A431 cell lysate, using Rabbit Anti-Mouse LYAR Antibody (3 µg/ml) and HRP-conjugated Goat Anti-Rabbit antibody ([abx400043](#), 0.2 µg/ml).

IHC-P analysis of Mouse Testis Tissue, with DAB staining.

Polyclonal Antibody to Ly1 Antibody Reactive Homolog (LYAR).

|                               |                                                                                                                              |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Ly1 Antibody Reactive Homolog (LYAR)                                                                                         |
| <b>Clonality:</b>             | Polyclonal                                                                                                                   |
| <b>Reactivity:</b>            | Mouse                                                                                                                        |
| <b>Tested Applications:</b>   | WB, IHC, IF/ICC                                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                                       |
| <b>Recommended dilutions:</b> | WB: 0.5-3 µg/ml, IHC: 5-30 µg/ml, IF/ICC: 5-30 µg/ml. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                 |
| <b>Immunogen:</b>             | <a href="#">abx067836</a> - Recombinant LYAR (Gly270-Lys388) expressed in E. coli                                            |
| <b>Form:</b>                  | Liquid                                                                                                                       |
| <b>Purification:</b>          | Purified by antigen-specific affinity chromatography, followed by Protein A affinity chromatography.                         |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                               |
| <b>UniProt Primary AC:</b>    | Q08288 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                  |
| <b>KEGG:</b>                  | mmu:17089                                                                                                                    |
| <b>String:</b>                | <a href="#">10090.ENSMUSP00000084791</a>                                                                                     |
| <b>Buffer:</b>                | 0.01 M PBS, pH 7.4, containing 0.05% Proclin-300, 50% glycerol.                                                              |
| <b>Specificity:</b>           | Cross-reacts with Human and Rat LYAR.                                                                                        |

# Datasheet

Version: 4.0.0

Revision date: 22 Jun 2025

**Concentration:** 0.25 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
