

# Nerve Growth Factor Receptor-Associated Protein 1 (NGFRAP1) Antibody

Catalogue No.: abx005503

Western blot analysis of various lysates using NGFRAP1 Antibody at 1/1000 dilution. Secondary antibody: HRP-conjugated Goat anti-Rabbit IgG (H+L) at 1/10000 dilution. Lysates/proteins: 25 µg per lane. Blocking buffer: 3% nonfat dry milk in TBST. Exposure time: 90s.

Immunofluorescence analysis of MCF-7 cells using NGFRAP1 Antibody. Secondary antibody: Cy3-conjugated Goat anti-Rabbit IgG (H+L) at 1/500 dilution.

NGFRAP1 Antibody is a Rabbit Polyclonal antibody against NGFRAP1.

|                               |                                                                                                                                  |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Nerve Growth Factor Receptor-Associated Protein 1 (NGFRAP1)                                                                      |
| <b>Clonality:</b>             | Polyclonal                                                                                                                       |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                     |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                                           |
| <b>Recommended dilutions:</b> | ELISA: 1 µg/ml, WB: 1/500 - 1/2000, IF/ICC: 1/50 - 1/100. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                     |
| <b>Immunogen:</b>             | Recombinant fusion protein containing a sequence corresponding to amino acids 1-111 of human NGFRAP1.                            |
| <b>Isotype:</b>               | IgG                                                                                                                              |
| <b>Form:</b>                  | Liquid                                                                                                                           |
