

## L1 Cell Adhesion Molecule (L1CAM) Antibody

Catalogue No.: abx110341

L1 Cell Adhesion Molecule (L1CAM) Antibody is a Rabbit Polyclonal antibody against L1 Cell Adhesion Molecule (L1CAM). Recombinant Human L1 Cell Adhesion Molecule (L1CAM) Protein.

|                               |                                                                                                                                     |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | L1 Cell Adhesion Molecule (L1CAM)                                                                                                   |
| <b>Clonality:</b>             | Polyclonal                                                                                                                          |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                                        |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                                              |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000, IHC: 1/20 - 1/200, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                        |
| <b>Immunogen:</b>             | Recombinant human Neural cell adhesion molecule L1 protein (995-1119AA).                                                            |
| <b>Isotype:</b>               | IgG                                                                                                                                 |
| <b>Form:</b>                  | Liquid                                                                                                                              |
