

## Trans-2-Enoyl-CoA Reductase, Mitochondrial (MECR) Antibody

Catalogue No.: abx113820

Mitochondrial Trans-2-Enoyl-CoA Reductase Antibody is a Rabbit Polyclonal antibody against Mitochondrial Trans-2-Enoyl-CoA Reductase.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Trans-2-Enoyl-CoA Reductase, Mitochondrial (MECR)                      |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                      |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                         |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Immunogen:</b>             | Human MECR.                                                            |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.         |
| <b>UniProt Primary AC:</b>    | Q9BV79 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )            |
| <b>Gene Symbol:</b>           | MECR                                                                   |
| <b>GeneID:</b>                | <a href="#">51102</a>                                                  |
