

## Rabaptin, Rab Gtpase Binding Effector Protein 1 (RABEP1) Antibody

Catalogue No.: abx115007

Rabaptin, Rab Gtpase Binding Effector Protein 1 Antibody is a Rabbit Polyclonal antibody against Rabaptin, Rab Gtpase Binding Effector Protein 1.

|                               |                                                                                          |
|-------------------------------|------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Rabaptin, Rab Gtpase Binding Effector Protein 1 (RABEP1)                                 |
| <b>Clonality:</b>             | Polyclonal                                                                               |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                        |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                   |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                   |
| <b>Conjugation:</b>           | Unconjugated                                                                             |
| <b>Immunogen:</b>             | Human RABEP1.                                                                            |
| <b>Isotype:</b>               | IgG                                                                                      |
| <b>Form:</b>                  | Liquid                                                                                   |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                         |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                           |
