

## Rna Binding Motif Protein 26 (RBM26) Antibody

Catalogue No.: abx115316

Rna Binding Motif Protein 26 Antibody is a Rabbit Polyclonal antibody against Rna Binding Motif Protein 26.

|                               |                                                                                                                          |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Rna Binding Motif Protein 26 (RBM26)                                                                                     |
| <b>Clonality:</b>             | Polyclonal                                                                                                               |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                        |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                   |
| <b>Host:</b>                  | Rabbit                                                                                                                   |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                                                   |
| <b>Conjugation:</b>           | Unconjugated                                                                                                             |
| <b>Immunogen:</b>             | Human RBM26.                                                                                                             |
| <b>Isotype:</b>               | IgG                                                                                                                      |
| <b>Form:</b>                  | Liquid                                                                                                                   |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                         |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                           |
