

## Ubiquitin Specific Peptidase 2 (USP2) Antibody

Catalogue No.: abx116431

Ubiquitin Specific Peptidase 2 Antibody is a Rabbit Polyclonal antibody against Ubiquitin Specific Peptidase 2.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Ubiquitin Specific Peptidase 2 (USP2)                                  |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Reactivity:</b>            | Human, Mouse                                                           |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                         |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Immunogen:</b>             | Human USP2.                                                            |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.         |
